Lante Collection

by Terri Pecora

Dalle storiche ville di famiglia tramandate attraverso le generazioni ai ritiri contemporanei di fama internazionale, l'immaginario dello sfarzo italiano, all'interno e all'esterno, evoca, come nessun altro, un vero senso di Luxury Classic.

E' a questa idea che Simas dedica la nuova collezione LANTE COLLECTION.

Volutamente ispirata alla sensibilità rinascimentale, la linea evoca le regolari geometrie di uno tra i più belli e leggENDARI giardini italiani, denso di rappresentanza simbolica, che esemplifica magistralmente il gusto e lo stile che hanno reso il Bel Paese famoso in tutto il mondo.

E' quello di Villa Lante a Bagnaia di Viterbo, nei dintorni della Roma papalina e a pochi chilometri da Civita Castellana, dove ha sede Simas con la sua produzione rigorosamente e totalmente made in Italy.

Una scelta non casuale.

LANTE COLLECTION. Design Terri Pecora

From the historic family villas of days gone by, the name has traversed the centuries to become internationally renowned, keeping alive Italian splendour – both indoors and out – embodying the true sense of classic luxury like no other. It is on this premise that Simas has created the new LANTE COLLECTION. Inspired by the aesthetic sensitivity of the Renaissance and rich in symbolism, the range embodies the graceful geometric lines of one of the most beautiful and legendary Italian gardens, skilfully representing the taste and style that has made the 'Bel Paese' famous the world over. We are speaking of the gardens of Villa Lante, at Bagnaia di Viterbo, on the outskirts of papal Rome, just a few kilometres from Civita Castellana, where Simas has a rigorously 'Made in Italy' production line. A decision that was by no means casual.

LANTE

La nuova Era del Classico

Lante

La Nuova Era di Simas si lega al classico: forme morbide, pure e rassicuranti. La limpidezza della ceramica bianca abbinata ai mobili studiati su misura riflette i valori di storie trascorse. Curve dal profilo femminile e pulizia lussuosa che richiamano fasti passati, LANTE COLLECTION è tradizionale e classica, ma si tinge anche di una memoria più recente, una sorta di Art Deco' reinterpretato. Una collezione che esprime la sua completa italicità, attestata dal marchio "Ceramics of Italy".

The New Simas Era merges with the classic: soft, pure and reassuring forms. The clarity of white ceramic combined with custom-made products that reflect the values of the past. Curves with feminine and luxurious profiles that recall past glories, LANTE COLLECTION is traditional and classic, but also tinged by a more recent memory, a sort of revised Art Deco. A collection characterised by a strong Italian spirit, as attested by the "Ceramics of Italy" trademark.

La nouvelle ère de SIMAS se joint au classicisme: formes douces, pures et rassurantes. La limpidité de la céramique blanche unie à des meubles étudiés sur mesure reflète les valeurs d'histoires vécues. Les courbes au profil féminin et la netteté luxueuse rappellent des fastes passés. La Collection LANTE est traditionnelle et classique mais elle est teinte d'une mémoire plus récente une sorte d'Art Déco réinterprété. Une collection qui exprime sa complète italicité, attestée par le label "Ceramics of Italy".

Das neue Zeitalter der Firma Simas richtet sich nach klassischen weichen Formen, rein und beruhigend. Die Klarheit der weißen Keramik mit maßgeschneiderten Möbeln kombiniert, spiegelt die Werte von gelebter Geschichte wieder. Die Kurven aus dem weichen Profil und die luxuriöse Reinheit, die an die glorreiche Vergangenheit erinnern, ist LANTE Collection nicht nur traditionell und klassisch, sondern nimmt auch auf dem Markt eine neue Interpretation von ART DECO ein. Eine neue Kollektion, die den italienischen Geist ausdrückt, und die Marke "Ceramics of Italy" prägt.

Новая эра Simas связана с классикой: с мягкими, чистыми и спокойными формами. Чистота белой керамики, сочетающейся со специально разработанной под нее мебелью, отражает ценности ушедших времен. Женственные изгибы профиля и роскошь чистоты напоминают великолепие былых времен. Коллекция LANTE традиционная и классическая, но, в то же время, она окрашена и недавними тенденциями - это своего рода интерпретация Art Deco'. Коллекция, выражаящая свое абсолютно итальянское происхождение, подтвержденное знаком "Ceramics of Italy".
